

INTRODUCTION TO THE PURPOSE OF THIS WEBSITE

November 29, 2018

SECTION 1

WHAT IS THE PURPOSE OF THE ALPHABETICAL BRAIN™ WEBSITE?

SUMMARY: The purpose of this website is to assist you in understanding your brain's physical structures and your mind's mental functions. It explains how the new scientific brain vocabulary (knowledge) can improve the quality of your reasoning and creativity and thereby give you more effective control over your own emotions and behavior and life planning.

SECTION 2

WHAT DOES THE ALPHABETICAL BRAIN™ SYMBOL MEAN?

SUMMARY: The **Alphabetical Brain™ Symbol** represents the interactive connections among your brain's physical structures that cause your mind's mental functions. It symbolizes the importance of the *26 letters of the English language alphabet* to human consciousness. The symbol shows the English language alphabet curved around the top of an image of the **Left Hemisphere** of a human brain, which contains the language module in most people.

SECTION 3

WHAT IS THE BEST WAY TO LEARN ABOUT YOUR MIND'S FUNCTIONS?

SUMMARY: The best way to study the 15 most important brain ideas is to use the 15 brain flash cards to learn the new brain knowledge and to also use the spaced-repetition method of memorization for long-term recall. Both educational techniques can speed the process of remembering the brain ideas and their interactions in a humanistic linguistic educational context.

SECTION 4
HOW CAN HUMANIST PARENTS TEACH
CHILDREN TO LOVE THEIR BRAINS?

SUMMARY: This website can help humanist parents teach their children the new whole brain thinking approach to the scientific understanding of brain structures and mental functions, which is the best way to integrate the new brain knowledge into humanist family living in order to produce responsible and resilient family members.

SECTION 5
WHAT IS THE GOAL OF THE
HUMANIST FAMILY BRAIN SURVEY?

SUMMARY: The goal of the **Humanist Family Brain Survey** is to obtain constructive feedback from humanist survey participants about the effectiveness of this website to provide humanist families with a realistic educational context for learning about the brain's spectacular structures and the mind's fantastic functions.
