

**INTRODUCTION TO THE  
PURPOSE OF THIS WEBSITE  
June 6, 2019**

**SECTION 1  
WHAT IS THE PURPOSE OF THE  
ALPHABETICAL BRAIN™ WEBSITE?**

**SUMMARY:** The purpose of this website is to assist you in understanding your brain's physical structures and your mind's mental functions. It explains how the new brain vocabulary (scientific knowledge) can improve the quality of your reasoning and creativity and thereby give you more effective control over your own emotions and behavior and life planning.

**SECTION 2  
WHAT DOES THE ALPHABETICAL  
BRAIN™ SYMBOL MEAN?**

**SUMMARY:** The Alphabetical Brain™ Symbol represents the interactive connections among your brain's physical structures that cause your mind's mental functions. It symbolizes the importance of the 26 letters of the English language alphabet to human consciousness. The symbol shows the English language alphabet curved around the top of an image of the Left Hemisphere of a human brain, which usually contains the language module in most people.

**SECTION 3  
WHAT IS THE BEST WAY TO LEARN  
ABOUT YOUR MIND'S FUNCTIONS?**

**SUMMARY:** The best way to study the 15 most important brain ideas is to use the 15 brain flash cards together with the spaced-repetition method of memorization to learn the new brain knowledge and remember it. Both techniques can speed the process of remembering the 15 brain ideas and their interactions in a humanistic linguistic educational context.

## **SECTION 4 HOW CAN HUMANIST PARENTS TEACH CHILDREN TO LOVE THEIR BRAINS?**

**SUMMARY:** This website can help humanist parents teach their children the new "whole-brain" thinking approach to the scientific understanding of brain structures and mental functions. It is the best way to integrate the new brain knowledge into humanistic families to produce responsible and resilient family members. The brain knowledge provides protection for children who are the most vulnerable targets of the many dangerous cultural influences aimed at them online and offline.

## **SECTION 5 WHAT IS THE GOAL OF THE HUMANIST FAMILY BRAIN SURVEY?**

**SUMMARY:** The goal of the Humanist Family Brain Survey is to obtain constructive feedback from humanist survey participants about the effectiveness of this website in providing humanist families with a realistic educational context for learning about the brain's spectacular structures and the mind's fantastic functions.
